Dear Cousin J.C.

I received your letter the other day it was to late to write you at New York.

I am very glad you were successful in placing Martha in school. I want to thank you and Jessie for same.

Did you go by to see L. Lowry & Son when in New York? What did they have to say?

I received a letter from there asking Mr. Cooner and I to come up

to New York that they would pay half the expense. And then we could discuss all details. I am writing them to make us a proposition drawing acct. territory etc. as we would not come up to N.Y. on an uncertainty.

Let me hear from you care Patterson Hotel Valdosta Ga will be there this Friday.

Regards to the folks.

Yours Truly
